Park Advisory Council Capital Partnership Pledge

I _____ am the _____ of the
(Name) (Title)

_____ Advisory Council, and on behalf of our council, I am
(Park Advisory Council)

requesting that the Park District _____
(General Project Description)

at _____ Park located at _____.
(Park Name) (Park Address)

Officers of our council have met with Park District representatives and have been advised that the Park District generally supports our initial proposal. Unfortunately, at present, our request *is not* and *can not* be scheduled for development because capital funding obligations prohibit commencement of such a project at this time.

However, it is understood that our council can begin conduct fundraising initiatives and solicit funding support for this project. When our fundraising criteria, as stated below, is met and confirmed, the Park District, in its sole determination, may then allocate a portion of its capital budget to reach the common financial goals stated herein, and contemplate including this project in future capital plans.

- Estimated Cost of Project: \$ _____
- Park Advisory Council Goal: \$ _____
- State Fundraising Goals \$ _____
- Federal Fundraising Goals \$ _____
- Other money associated herewith \$ _____

Acceptance

The undersigned, on behalf of the above named council, understands and agrees the Park District has made no commitments or undertaken any formal obligations regarding the above project, and all acts in furtherance of stated project are undertaken by the parties with the full understanding and knowledge that budget priorities and financial allocations may at any time dictate that this project gets reprioritized accordingly, and further acknowledges the terms of the above letter agreement and agrees to be bound thereby.
