Cancer Survivors Garden

Last Updated December 28, 2009

Here's a true hidden treasure in the heart of the city and close to the lake on East Randolph Street.

The gardens are gorgeous, and the view of Lake Michigan and the Field Museum of Natural History to the south is spectacular. On the north end, two forty-foot tall granite columns flank a large open metal pavilion. Flowers spill out of pedestals that line the garden.

There are smells and sights to delight the senses and a long tent capable corridor of greenery to remind us to appreciate life in full bloom.

With an intimate and exclusive ambiance, you'll cherish this site for your affair.

There are two different levels of Commemorative Permit for our gardens. Level 1 allows you two hours (including set-up and tear-down), and it allows you bring in only chairs and a trellis. Level 2 allows you four hours (including set-up and tear-down), and it allows you to have amplified sound, a small tent (15'x15' or smaller) and risers in addition to chairs and a trellis, if desired. However, Liability Insurance is required with Level 2. (Contact us if you need a recommendation.) More information including the fees can be found in the 2010 Special Event Application, especially on pages 7 & 10.

We do not give out availability for Commemorative Events; applications are processed in the order received, and you will be contacted within 14 business days regarding if your time/date/location is available and what fees/documents/etc are required in order to secure a permit.
